ZOPPAS FAMILY SUPPORT FIGHT AGAINST COVID-19

1 Million € Donation to Veneto Regional Authority

Scorzè (Ve) - March 20, 2020 - The Zoppas family are close to those who are at the frontline of the Coronavirus epidemic, taking actions into the area where they belong. Through Acqua Minerale San Benedetto S.p.A., Irca S.p.A. and Sipa S.p.A., they have made a donation to Veneto Regional Authority to buy fifteen complete intensive care units intended for all the hospitals of the region.

*“In response to the emergency situation that entire Italy is facing, we feel the need to do our part in supporting Veneto regional health care” – said **Gianfranco and Enrico Zoppas, Presidents of the companies** - “As we make this tangible act, we express our gratitude on behalf of all the family’s company workers to all the doctors and nurses who contribute effectively, day and night, to the fight against Covid-19, ensuring assistance to many people who need it”.*
